Dear Library Supporter,

The Crown Point Community Library is excited to announce their next Library Mini Golf Event, "A Hole Lot of Fun," on Saturday, April 14, 2018 from 10 a.m. -3 p.m. The library will be transformed into an 18-hole miniature golf course for the day. The course is set up throughout the first and second floors of the library. Players, of all ages, will have "A Hole Lot of Fun" swinging their clubs through the library stacks and end their round in the "Family Fun Zone," located in the meeting rooms, to return their equipment and enjoy free refreshments, and fun activities.

Why miniature golf? This event is a fun and unique way to experience the entire library while raising funds for programming, for all ages. The proceeds from this fundraising event have allowed us to enhance library services and expand the traditional boundaries of library programming including: renting Molly the Trolley to transport patrons on our Historical Homes Tour, purchasing the screening licenses for Motion Pictures and Foreign Films, incentives and materials for our winter and summer reading programs, bringing in New York best-selling authors to present their latest novel, musical performances and more! In addition, our Friends of the Library organization incorporates school libraries by sponsoring a hole decorating contest open to all Crown Point schools, both public and private. Golfers vote for their favorite decorated hole on the day of the event and three winning schools receive a cash prize to purchase books for their school library.

Our librarians have many ideas for new and exciting programs that will inspire the Crown Point community. Therefore, we would like to encourage you to help your Library transform into an 18-hole miniature golf course while promoting your business or service! With more than 700 people using the library each day, your sponsorship allows you a unique opportunity to promote your business or service to a large and diverse audience. Enclosed are the available sponsorship opportunities. Some of the many benefits to your sponsorship are:

- Sponsors will be mentioned in our event advertising and promotional materials throughout the community, including the library newsletter, website, internal TV screens and on the lobby display viewed by thousands of people in the weeks before the event.
- Your logo will be showcased at your sponsored hole and be included on printed promotional materials.
- Sponsors will have space available at their sponsored hole or Family Fun Zone area to greet players at the event and/or provide information about their business or service.
- You will have the option to decorate your hole.

Obstacles, such as loopde-loops, and the handmade gutter system for the hole that ran down our main staircase created an entertaining and (sometimes) hilarious challenge for golfers of all ages!

Did you know...

- Our course was built by the 2015-2016 Crown Point High School Woodworking and Cabinetry class
- No more rental fees for future events
- Great partnership between the library and high school!

In addition to celebrating National Library week with our mini golf event, the Friends group also incorporated the celebration of "School Library Month" with a hole decorating contest open to Crown Point schools. Golfers voted for their favorite hole the day of the event, three winning schools received a cash prize to purchase books for their school library.

This event wouldn't be a success without the help of our community, sponsors and volunteers!
