# LIBRARY GIVING

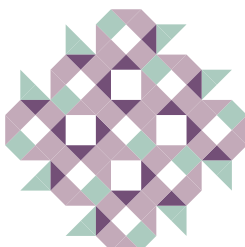

In September, the Crown Point Community Foundation awarded the Crown Point Community Library a \$10,896 grant to replace the Library's four AWE early literacy computer stations.

The Early Literacy Station is designed specifically for our youngest patrons. The fun, interactive and engaging content spans all seven curricular areas: math, science & nature, social studies & geography, reading, art & music, writing & computer skills, and reference. The AfterSchool Edge station is designed for elementary school children and provides for enrichment, intervention, homework help and skill reinforcement. Both computer stations provide the following:

- Created specifically for young learners ages 2-8 OR Elementary school students ages 6-12
- Award-winning content aligned with STEM/STREAM learning and academic standards
- 70+ Software titles: Over 4,000 learning activities
- Provides a safe environment: Self-contained learning solution keeps children away from unwarranted websites and content
- Ideal for all learning styles: auditory, visual, tactile & kinesthetic learners
- "Plug and Play" ease of use with a proven long-lasting durability and duration of trouble-free use.

The Library's goal is to become a tool for community members of all ages to transform their lives for a better future, and that effort starts with our youngest patrons. The Library and the Crown Point Community Foundation share the same goal of actively seeking ways to enrich the lives of community members by providing resources for its community members.

Bring a friend and enjoy a ride to downtown Chicago!*

Last year, over 700,000 people participated in Giving Tuesday, a global day of giving fueled by the power of social media and collaboration. Celebrated on the Tuesday following Thanksgiving (in the U.S.) and the widely recognized shopping events Black Friday and Cyber Monday, #GivingTuesday kicks off the charitable season, when many focus on their holiday and end-of-year giving. One of the best ways to get involved is in your own community, and what better place to start than with your local library? You can support the Friends of the Crown Point Library by making a tax-deductible gift on December 3, online at [www.crown-pointlibrary.org/give](http://www.crown-pointlibrary.org/give) or fill out the donation form available at both library locations.

This year the Friends of the Crown Point Library are encouraging you to participate in Giving Tuesday to help them raise money to fund a special outreach tool: a Mobile Makerspace.

A makerspace is an area that encourages participation in hands-on collaborative learning, sharing, and creating through the use of technology and do-it-yourself materials. The purpose of the Mobile Makerspace is to provide library patrons access to various technology and tools that support your education and personal goals and endeavors.

Make a gift to the Friends of the Library and help us to continue to reach more people in the community through the library's outreach services. Donation forms are available online and at both library locations.

In advance, we thank you for making sure that our valuable library services and programs continue well into 2020 and beyond.

Join us for our annual holiday music concerts at the library during the month of December.

All concerts are free and do not require registration. Concerts are held at the Crown Point location and sponsored by the Friends of the Library.
