IN THE COMMUNITY

MARK YOUR CALENDARS FOR THE COMMUNITY'S MOST EXCITING MINIATURE GOLF EVENT!

On Saturday, April 18, the Crown Point Library will transform into an 18-hole miniature golf course for the day. Players, of all ages, will enjoy putting through the stacks, on the first and second floor, down the staircase and all the way to the "Family Fun Zone" located in the library's public

meeting rooms. Here, players will be treated to free refreshments, a balloonist, face painting, games and more!

Library Mini Golf is one of our most exciting opportunities to raise money to support library programming and brings awareness of how the Library plays an integral part in our community's success and quality of life for its residents. The event is strategically scheduled in April to coincide with two American Library Association's sponsored celebrations- National Library Week (April 19-25) and School Library Month. During the event, Crown Point schools compete in a hole-decorating contest. Golfers vote for the best hole and three winning schools receive a cash prize to purchase books for their school library (sponsored by the Friends of the Crown Point Library).

Library Mini Golf is from 10 a.m. - 3 p.m., the last tee time is 3 p.m. The cost is \$5 per person or \$20 for a group of five. Tickets will go on sale, at the Crown Point Library, on April 1st. The ticket includes one round of golf and admittance to the Family Fun Zone.

Come out and join us for "A Hole Lot Of Fun" and support the Library while have fun playing mini-golf *inside* the Library!

MARCH IS DISABILITY AWARENESS MONTH

No matter the differences between people, it is always better to treat others the way you want to be treated, and this is especially true when interacting with friends, co-workers, and other Hoosiers who live with disabilities. The 2020 Indiana Disability Awareness Month campaign theme - People, Not Punchlines - acknowledges an ugly truth: persons with disabilities are sometimes turned into objects of ridicule. The campaign uses humor to open a conversation and highlight the ways in which we can all understand each other better. CPCL welcomes patrons of all levels of ability.

LIBRARIES NEED FRIENDS!

Across America many public libraries were established through the efforts of community members who understood the value of libraries to their communities and also understood that libraries needed community support to survive. The CP Library benefits in many ways by the tireless effort and support received from our Friends group. The Friends have helped us expand our resources and programming to better serve the public. Founded in 1989, our Friends mission has always been to enhance and promote the use and enjoyment of the library.
