Create a DIY sensory
book to read with
your baby

Use different voices
for characters in
stories to make it silly
and fun!

Ask your baby open
ended questions while
reading such as "what
do you think will
happen next?" It's
okay if they don't
answer!

Allow your baby to
pick a book and have
them "read" it to you!
Encourage them to
point at pictures or
flip pages.

fabric pieces and
have your baby feel
all the different
textures. Talk about
how each one feels
different.
