Dear Library Supporter,

We're thrilled to invite you to be part of something extraordinary! The Crown Point Community Library is gearing up for our biannual "Library Mini Golf" fundraiser, a unique event that transforms our library into an 18-hole mini-golf course. This isn't just any fundraiser - it's a celebration of community, learning, and fun that directly supports two years of library programming and outreach services for all ages!

As we prepare to tee off, we're reaching out to local businesses and organizations like yours to join us as sponsors. Your support will play a crucial role in fostering a love for reading and learning in our community, making you an integral part of our mission to be a community center for lifelong discovery.

Saturday, April 5 – **"Hole" Lot of Fun**

Bring your family and friends for a day of mini-golf, community spirit, and library love! Open to players of all ages.

Sunday, April 6 – Putt & Play: Special Edition

# About the course

The course guides participants through all the major service areas: adult and children collections, programming rooms, public meeting room facilities, internet café, teen zone, game room and community display areas.

## Did you know...

- Our course was built by the 2013-2014 Crown Point High School Woodworking and Cabinetry class...you read that correctly, students built our course. This was a great partnership with the high school and allowed us to save thousands on rental fees on future events.
- Members of the CPHS football team volunteer to set-up the course!
- Decorated holes, obstacles, and the handmade gutter system for the hole that runs down our main staircase creates an entertaining and (sometimes) hilarious challenge for golfers of all ages!
- Sponsors get in the fun decorating and networking!
- The event provides a great opportunity to introduce all ages to volunteerism at the library and the Friends of the Library Organization.
- Molly the Trolley is an exciting alternative to help with parking. The trolley transports players to and from the Wheeler Middle School via a trip around the downtown square!
- The Crown Point school hole-decorating contest increases exposure, attendance, and benefits the school library!

Thank you to our 2023 event sponsors!
