STORYWALK®

The Crown Point Community Library has two permanent StoryWalk® installations: in the greenspace at the Crown Point location, and at Randolph Park in Winfield. Each StoryWalk® consists of 20 exhibit signs, each displaying a page from a children's book and library information. The book changes seasonally.

Thanks to the generous gifts from our Friends of the Crown Point Library, and the Lakes of Four Seasons Lions Club, we can promote literacy with outdoor activity, offering a unique and engaging experience for families in the communities we serve.

Crown Point StoryWalk®

Enjoy our summer title *I Ain't Gonna Paint No More!* by author Karen Beaumont, Illustrator, David Catrow.

Description: A dab of blue here, a splash of red there, a goopy smear of green . . . everywhere. To the tune of "It Ain't Gonna Rain No More," one creative kid floods his world with color, painting first the walls, then the ceiling, then HIMSELF! Before this feisty artist is through, he'll have painted his head, back, hands, legs, feet, and . . . Oh no--here comes Mama!

Thanks to our partner: Friends of the Crown Point Library

Randolph Park StoryWalk®

Enjoy *The Hidden Rainbow* by Christie Matheson.

Description: All the colors of the rainbow are hidden in the garden, but can the little bee find them—with help from the reader? Christie Matheson, author of the popular and acclaimed Tap the Magic Tree, brings a garden to life in this bright, interactive picture book about the natural world—and our place within it.

Thanks to our partner: Lakes of the Four Seasons Lions Club
