Thank You for a Train-Tastic Event!

We extend our sincere thanks to the members of Roundtoit Train Club, CP Train Stop, Illiana Garden Railway Society, Crown Point High School Train Club, and Tyler's Tenders for bringing their fascinating and beautifully detailed train displays to the Crown Point Community Library. Their time, talent, and enthusiasm created a memorable experience for visitors of all ages and inspired curiosity, learning, and a shared love of model railroading. We are grateful for their generosity and community spirit, which helped make this annual event such a success.

All aboard for learning!

With guidance from James Kennedy (Roundtoit Train Club), young members of the Illiana Garden Railway Society are hard at work building multiple train layouts—and sharing what they've learned with curious visitors. This hands-on collaboration offers a wonderful educational experience for everyone involved.

Visit the Children's Library on the second floor to see the model train on display through January! Kids can press the button to make the train move and whistle—a delightful experience for the whole family. (Courtesy of the Roundtoit Train Club)

Future conductors in the making! Young train enthusiasts get an up-close look at the detailed model trains in action.

Lucy (center) was our lucky winner of the Lionel Polar Express train and track extension kit, generously donated by Brian Speers (right, CP Train Stop) and Mike Thompson. With a little help from Frankie, Lucy happily showed off the train and shared the exciting news with Julie Wendorf, Library Director (left)—she plans to gift the train to her brother, Spencer, for Christmas.
