Crown Point Library Recognized as an American Red Cross Premier Blood Partner

The Crown Point Community Library is honored to be recognized by the American Red Cross with a Certificate of Recognition for our commitment and dedication as a Premier Blood Partner.

In 2025, generous donors who rolled up their sleeves at library blood drives helped collect 507 units of blood, making a meaningful impact on patients in need throughout our region. Every donation has the potential to save multiple lives, and this achievement reflects the incredible generosity of our community.

We are grateful to every blood donor, volunteer, and American Red Cross staff member who has helped make our blood drives successful. Your willingness to give one hour of your time can provide hope to accident victims, surgery patients, cancer patients, and others facing life-threatening medical conditions.

Whether you're a first-time donor or a regular participant, your donation can make a real difference. Summer is often a challenging time for maintaining an adequate blood supply, making every appointment especially important.

Help us continue our tradition of serving the community—both through books and by helping save lives.

Schedule your appointment at one of our next blood drives today:
