# Parking, painting, patrons...oh my!

In October, the library will be celebrating its 10th anniversary of the Crown Point Library building location. Our new building has been well loved and needs some freshening up. You'll see some of those projects occurring in September and October in the public area of the library with a whole building repainting and some flooring replacement. The library will do its best to limit the disruption to the public, but some areas will be unavailable to patrons for a limited time as projects proceed. We're excited to start our 11th year serving the community in such a beautiful building!

The library has partnered with the City of Crown Point to enhance the parking available around the library. As part of the City's East Street parking improvement plans, the library will be combining its small north parking lot behind the library with the new larger municipal parking lot the City has created. This will create a greater opportunity for library visitors to find parking around the library. In addition, the library will soon have 20 dedicated parking spots in the existing south municipal lot in front of the library. The addition of on-street parking in front of the police station will also be helpful for library visitors. The library is thrilled with the coming improvements in parking in order to better serve our community.

The interactive play areas, at both locations, finally reopened and children are more than ready to explore it. The interactive play area at the Crown Point location first opened in January of 2020 but had to close just two months later when the COVID-19 pandemic hit.

In 2018, the Birdzell family donated \$10,000 to the library to help expand children's programming in memory of Sharon Greening, a longtime Region teacher who died in 2017. Much of the donation went towards purchasing furniture for the interactive play area. The Crown Point Lions Club donated another \$10,000, which went towards buying toys and books for the space.

The theme of the interactive play area changes every month, at both locations, with setups including a post office, farmers' market, ice cream parlor, veterinary office and pizza parlor.

## SEPTEMBER IS LIBRARY CARD SIGN-UP MONTH

September is a time when the American Library Association and libraries across the country remind everyone that a library card is the smartest card you can own.

Tony Award-winning performer, actress, singer-songwriter, and philanthropist Idina Menzel and her sister, author, and educator, Cara Mentzel will serve as honorary chairs of Library Card Sign-Up Month 2022. As honorary chair, Idina Menzel says this about a library card: "It's a little card that goes a loud way. Let your imagination sing at the library." Whether it's diving into a new hobby, building business skills, engaging with the community, or discovering new books, music, media, and technology, the library is a place where everyone can thrive.

**To apply for a library card, or if your card is lost or expired stop by Crown Point or Winfield location and sign up today!**

- We have a new design, as well as the 2021 special edition Baby Yoda library cards available (while supplies last). If you already have a library card, simply bring your current library card with you the next time you visit the Library to exchange it for a new design.
- Did you apply for a library card online? Visit the library to convert your virtual card to a physical card.
- While you're at the library in September be sure to make sure your card is up-to-date. Does the library have the correct phone number, address, and email for you? Ask at the Circulation Desk, when you check out, to make sure we have your valid contact information. The library will send you notifications via email or text message on late items and holds if you opt into the program.

### During the month of September celebrate Library Card Signup month with these additional activities:

- Every cardholder, at the time of check out, will receive a ticket (one per visit, per cardholder) for a chance to win a Kindle Fire. Self-check-out patrons can show their receipt at the front desk to receive a ticket.
- Children who obtain a new library card will receive a sticker and their names will be entered to win a Radio Control Grogu and Hover Pram.

Banned Books Week is an annual American Libraries event celebrating the freedom to read. Typically held during the last week of September, it spotlights current and historical attempts to censor books in libraries and schools. The library supports our community's freedom to read and strives to provide a balanced and diverse collection for our community in order to Read, Discover and Connect.

## INDIANA ROOM

***Banned IN Indiana: A Look at Challenged Books by Hoosier Authors*** examines some of the Hoosier State's authors who have been challenged or banned in communities. This display is part of the honoring of Banned Books Week, 9/18-24/2022. Did one of your favorites make the list? Come see us throughout September in the Indiana Room.

## 1,000 BOOKS BEFORE KINDERGARTEN

How easy is it to read 1,000 books before kindergarten? Here are a few ways:

- One bedtime story a night for three years,
- Ten books a week for two years,
- 20 books for a week for one year!

The key is perseverance. Make it exciting. The library can help you! Simply sign up for our free program "1,000 Books Before Kindergarten". We provide you with resources, reading lists, reading logs, and more. Children ages 0-5 are invited to sign up for this program at any time.

Sisters Charlotte and Fiona both completed the "1,000 Books before Kindergarten" program – just in time for school to start!
