SATURDAY, APRIL 22, 2023 | 10 - 3 P.M.

Dear Library Supporter,

The Crown Point Community Library is excited to announce the next Library Mini Golf Event, on Saturday, April 22, 2023, from 10 a.m. – 3 p.m. The Library will transform into an 18-hole miniature golf course for the day. Players, of all ages, will enjoy putting through the library stacks, down the staircase, and finishing at the 19th hole “Family Fun Zone,” located in the meeting rooms, to enjoy free refreshments, and fun activities.

Library Mini Golf is a dynamic fundraising event that embraces the dual purpose of fundraising and provides an engaging way for community members to enjoy and explore the library space. The proceeds from this event are utilized to fund two years of library programming, for all ages. Since our first event in 2013, financial support through this fundraising effort has allowed us to enhance outreach services and expand traditional library programming to include:

- Renting Molly the Trolley to transport patrons on our Historical Homes Tour,
- Purchasing the screening licenses for Motion Pictures and Foreign Films,
- Purchasing program materials for STEAM and early literacy programs,
- Incentives and performers for the summer and winter reading events,
- Author visits and musical performances,
- Purchasing materials for take & make kits during the pandemic, and more!

During the event, we invite Crown Point schools to compete in a hole-decorating contest. Golfers vote for the best hole and three winnings schools receive a cash prize to purchase books for their school library (sponsored by our Friends of the Library.)

The Library provides a community center for information and discovery through innovative programming, diverse collections, and responsive services in a safe and comfortable environment. It is a gathering place for young and old to experience learning and creativity, a performance space for local talent, a meeting space for organizations, and a resource for entrepreneurs and those looking to return or enter the workforce. With more than 700 in-person visits each day, your sponsorship allows you a unique opportunity to promote your business or service to a large and diverse audience. In addition to providing financial support to the Library Mini Golf event, becoming a sponsor:

- Enhances **your company's reputation and standing in the community**
- Increases your positive name recognition, visibility, and brand awareness
- Improves customer loyalty
- Demonstrates your support for literacy in your community!

To secure your spot at the community's most exciting miniature golf event, please email LibraryMiniGolf@crownpointlibrary.org or contact Laura at (219) 306-4599 or Kate at (219) 306-4601.

Thank you for supporting the Crown Point Community Library!

Respectfully,

Library Mini Golf Event Committee

How can I support the Library Mini Golf event?

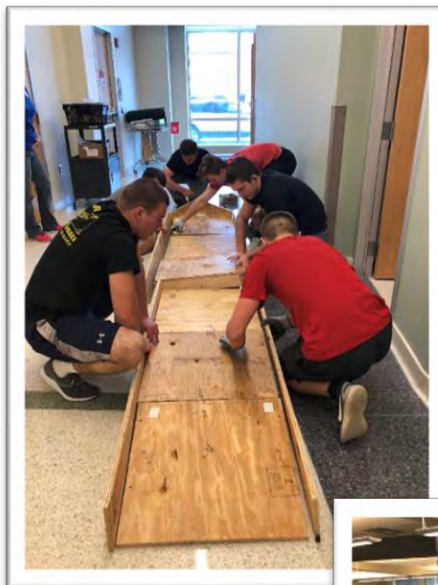

- *Bring your family or friends and play miniature golf at this fun event!*
- *Become a sponsor:* Take advantage of this great advertising opportunity for your business or organization. Sponsorship forms are available online, at the Circulation Desk or contact Laura at (219) 306-4599, email: LibraryMiniGolf@crownpointlibrary.org
- *Donate an item for raffles:* The library will welcome any donations from individuals and businesses to help raise additional funds at the event. At past events, the raffles were very popular. For more information contact Laura at 306-4599, or email: LibraryMiniGolf@crownpointlibrary.org.

The course guides participants through all the major service areas: adult and children collections, programming rooms, public meeting room facilities, internet café, teen zone, game room and community display areas.

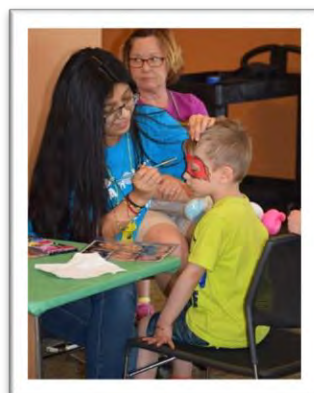

Did you know...

- Our course was built by the 2013-2014 Crown Point High School Woodworking and **Cabinetry class...you read** that correctly, students built our course. This was a great partnership with the high school and allowed us to save thousands on rental fees on future events.
- Members of the CPHS football team volunteer to set-up the course!
- Decorated holes, obstacles, and the handmade gutter system for the hole that runs down our main staircase creates an entertaining and (sometimes) hilarious challenge for golfers of all ages!
- Sponsors get in the fun decorating and networking!

- The event provides a great opportunity to introduce all ages to volunteerism at the Library and the Friends of the Library Organization.

- Molly the Trolley is an exciting alternative to help with parking. The trolley transports players to and from the Wheeler Middle School via a trip around the downtown square!

- The hole-decorating contest increases exposure, attendance and benefits the school library!
